Sciences in our school

In our school we study various scientific subjects :

- maths (this year we start to learn algorithmic),
- physics-chemistry
- biology and geology
- technology

Our school often takes part in maths contests (kangaroo contest, ...).

In France, we have to be good at maths to go to a good school, so maths are very important in our country.

Lunch at the canteen

- We have lunch between 12 and 1.15 pm.
- Our canteen is not very big.
- There is a big wall painting, which was made by students.
- We can take a starter, a main course, cheese or yoghurt, bread and dessert.
- Once a month, we have special meals (example : Russian, Chinese, Christmas).

SPORTS

In PE classes, we will practice 5 sports this year:
handball, volleyball, table tennis,
high jump and orienteering race.

Some pupils can be part of the « AS » (sports association) on Wednesday afternoon; they can play volleyball, table tennis or dance!

Clubs, visits and trips

We have a lot of visits, for example :
Versailles palace, museums, Paris...

We also go to the cinema
and theatre to see movies,
shows, plays... linked to
our curriculum.

Clubs : chess; choir;
drama; English drama...

Sometimes, we go abroad:
England, Bulgaria...

Versailles

The palace is the most famous monument of our town.

The market place is very popular.

The town hall

Court scents.

See you soon !!
